

PHILIP MORRIS U. S. A.

INTER - OFFICE CORRESPONDENCE

Richmond, Virginia

To: . Mr. L. Meyer

Date: February 19, 1987

From: . Joyce F. Stargardt

Subject: . Coal Removal of the Reynolds "Double Blend" Cigarette

The Reynolds "Double Blend" cigarettes have a coal removal of 85%.  
An empirical observation was noted. When the coal fell off, tobacco in  
the rod fell out leaving an empty cigarette paper cylinder.
